Dai A., bedankt voor de connectie.

Als circulair koploper zou ik graag in contact komen om te kijken of er export mogelijkheden naar Australië zijn voor onze producten (zie www.lune.nl). We verkopen wereldwijd en onze producten vindt je oa bij ondernemingen, onderwijsinstellingen, ziekenhuizen maar ook op ministeries en zelfs op een enkele ambassade (oa frankrijk).

Ik hoor graag of en zo ja wat de mogelijkheden zijn.

Beste groet,

Wido
